BACKFLOW CONTROL PROGRAM

Who is Eligible to Participate in the Program?

If you are a customer of the City of Canfield for your sanitary sewer service, and you have experienced chronic wastewater backflow, you may be eligible to participate in the program. If you are not sure if you are a customer of the City of Canfield, contact the Business Office at 330-533-1101, Monday through Friday, 8:00 AM to 4:00 PM.

The steps outlined below are intended to allow eligible property owners to proceed with the work and insure reimbursement of fifty percent (50%) of the cost to a maximum of $2,000 by the City of Canfield.

Eligible property owners may proceed with the work and do not need to contact this office prior to the work. The steps outlined below provide the guidance necessary to seek reimbursement after work has been completed. Once work is complete and approved by the Board of Health, documented costs paid by the eligible property owner may be submitted to the City of Canfield for reimbursement.

Eligible property owners/homeowner(s) who have completed the work and submitted invoices will be contacted if additional information is needed.

Reimbursements through this program will be made in sixty (60) to ninety (90) days from receipt of all required documents.

Any questions may be directed to the City Manager's Office at 330-533-1101, Monday through Friday, 8:00 AM to 4:00 PM.

City of Canfield customers are asked to read the following carefully to avoid delays in obtaining reimbursement for expenses and to insure the proper equipment is installed.

Requirements of the City of Canfield

1. Eligible City of Canfield sewer customers may qualify for the 50% reimbursement up to a maximum of $2,000, if they install a gate valve and sump pump and remove the footer drains from the sanitary sewer.

   Eligible properties with an existing sump pump that are installing only a gate valve must be inspected and approved prior to reimbursement.

2. To obtain reimbursement for costs to have the footer drains removed from the sanitary sewer, sump pump installed and/or gate valve placed on the sanitary sewer lateral, eligible home/property owner(s) are to obtain at least two (2) estimates from master plumbers or other Mahoning County approved contractors. Residents contacting businesses to do the work should inquire as to experience in performing the work to be done.

3. For eligible home/property owner(s) who have completed the work within the last one (1) year, to be eligible for reimbursement of fifty percent (50%) of the cost, complete documentation of payment for work must be provided. Documentation of these costs may be in the form of canceled checks or invoices marked paid by the vendor.

4. When all work is completed, eligible home/property owner(s) shall provide the City of Canfield proof of payment to the contractor for work performed. Before reimbursement of fifty percent (50%) of cost up to a maximum of $2,000 is paid by the City, the homeowner/property owner(s) shall sign a statement releasing the City from all liability in connection with the work or the proper operation of the gate valve and sump pump.

5. Reimbursement under this Program shall be limited to one time per structure

Requirements of the Mahoning County Board of Health

info@mahoninghealth.org
330-270-2855

1. Work shall be performed by a master plumber. Note: While the Board of Health requires the work to be performed by a master plumber, property owners/homeowners are permitted to work on their own property and shall obtain all necessary permits prior to beginning work. The work shall be properly performed and meet all Board of Health Requirements.

2. Permits must be obtained from the Board of Health for the sump pump and gate valve installation. The Board of Health must also inspect and approve the installation. Homeowners having work done prior to this notice are to contact Board of Health for permit if the permit was not originally obtained.

3. The Board of Health must inspect the work prior to completion, i.e., covering the piping.

   If the work has been completed within the last one (1) year and a reimbursement for costs is requested, the homeowner/property owners should contact the Board of Health to see if an inspection of the work was done at the time of performance. If the work has not been inspected and approved by the Board of Health, said approval shall be acquired prior to reimbursement.

Backflow Control Program Liability Release Form

For the consideration of $_____, the receipt and sufficiency of which is hereby acknowledged, the undersigned _____ on behalf of the undersigned, and the successors and assigns of the undersigned owner of the property located at _____(address), _____(telephone number), does hereby forever release and discharge the City of Canfield, their agents, employees, successors and/or assignees from any and all past, present or future claims, damages, actions, causes of action or suits of any kind whatsoever with regard to basement flooding and backflow problems.

The City has implemented a program to assist homeowners with chronic wastewater backflows during heavy rain events and flooding conditions. (**See Ordinance 2012-13**) on page 3. The program was implemented without any admissions as to liability for the cause of the backflow problems.

The undersigned has demonstrated the necessary requirements to qualify for the program in which the City had agreed to contribute a portion of the cost to install a sump pump and/or gate valve.

> *The undersigned states that attempts were made to obtain at least two (2) estimates for the work performed but only one company and/or individual provided an estimate within a reasonable time to have the work performed. The non-responding company and/or individual name(s) listed below*.*

_____Initial here if only one estimate was obtained and used for the work performed.

***Name(s) of non-responding company and/or individual _____.**

It is understood and agreed that the assistance in paying for the installation of the sump pump and/or gate valve by the City of Canfield, by whom liability is expressly denied.

It is further agreed and understood that the City of Canfield has not installed the sump pump and/or gate valve and has not selected the company and/or individual to perform the installation. The City of Canfield does not warrant the products installed or workmanship of the installation of the sump pump and/or gate valve. Furthermore, the City of Canfield does not guarantee or warrant that the installation of the sump pump and/or gate valve will eliminate, diminish, or correct the backflow problems experienced and the undersigned irrevocably releases the City of Canfield from any such claims.

The undersigned declares that the terms of this settlement have been completely read and are fully understood and voluntarily accepted.
