Situational Update:

Mahoning County Public Health would like to announce the release of our new dashboard for COVID-19 cases and deaths in Mahoning County. The dash board can be found on our website at mahoninghealth.org or by [clicking here](#).

The MCPH interactive dashboard will be updated at 2:00 p.m. on Mondays, Wednesdays and Fridays (excluding Holidays). It will include a map of all COVID-19 cases and deaths (both probable and confirmed for both) in Mahoning County including the city of Youngstown by zip code with long-term care data sectioned out. The zip code indicated for each case or death corresponds to the address on file for the individual. This indicates a possible place of residence, but does not indicate the actual location of exposure to COVID-19.
