Dear Canfield Resident,

The City of Canfield was made aware of a letter that was sent to residents from the Utility Workers Union of America (UWUA) Local 425 on behalf of hourly employees in the City of Canfield. The City of Canfield respects and appreciates the work of all employees of the City of Canfield including the six (6) Public Works employees that the UWUA represents.

That letter from the UWUA contains inaccurate and incomplete information regarding conduct and proceedings of the ongoing collective bargaining negotiations.

- The UWUA does not represent all hourly City employees, only six (6) members within the Public Works Department.
- The City has not been found to have engaged in any misconduct with respect to the labor negotiations.

The City of Canfield Council and management remain dedicated to providing services to our citizens, and will continue to do so.

We encourage every resident to become educated and obtain all the information regarding the proposed Charter amendments, and would welcome open and honest discussion regarding the UWUA letter and the proceedings of the City of Canfield – UWUA negotiations.

If you would like to discuss the letter you received or the proceedings of the City of Canfield – UWUA please contact any of the City Council members or the City Manager.

We stand committed to providing our residents with accurate and unbiased information.

Please contact us at your earliest convenience.
