

The 2024 Leaf Pick-Up Program is scheduled October 14, 2024. Crews will perform weekly sweeps throughout the City for all residents that wish to participate in this program.

Please adhere to the following guidelines to ensure that crews are able to collect leaves safely and efficiently.

- Leaves must be placed by the street edge in a single row, horizontal to the street.
- Leaves must NOT be placed in the street.
- Leaves must be placed no further than 6' from the edge of the street.
- Do NOT mix grass clippings, stones, twigs or any debris, these items will clog our machines.
- Please do not park cars or place other obstructions in front of leaf piles.
- Do not place leaves over a manhole or catch basin.

We plan to perform the final sweep on or about December 2<sup>nd</sup>.

**PLEASE BE ADVISED:** All of the above is weather dependent.

Thank you in advance for your cooperation. This will allow our leaf program to be successful and continue in the future.
