## PROPOSALS & SPECIFICATIONS

### LEAF REMOVAL

The City of Canfield desires to receive a proposal to pick up of leaves at the curb. The program would begin in October and end in December.

The Contractor selected is expected to pick up, and dispose of all material collected from each street listed each week.

The program is designed to be complete in seven weeks. However, we ask that your proposal include a 8<sup>th</sup> week of work to pick up "problems". We **DO NOT** advertise the 8<sup>th</sup> week of collection (weather permitting)

Our volume is estimated to be approximately 400 truckloads of leaves.

We request that you provide us a lump-sum total proposal. You are also required to name us as an additional insured on your liability insurance (\$1,000,000 minimum) and provide us with a copy for our files.

If you have questions, please contact David A. D'Apolito Canfield C.M. 330-533-1101

CITY OF CANFIELD

## BID SPECIFICATIONS

### 5-YEAR LEAF DISPOSAL & COLLECTION CONTRACT

1. The leaf collection and disposal season is sometime between October and December. The total leaves collected by the City Public Works Department and the successful bidder could be 400 truck loads (14 cu. yds. each). The successful bidder must have sufficient storage capacity to handle this volume.
2. This proposal is for collection and disposal of leaves by the successful bidder (approximately (250) 14 cu. yd. loads), plus disposal of leaves collected by the Canfield Public Works Department. Therefore, bidders shall provide a leaf disposal site that has a maintained driving area Monday through Saturday between 7 A.M. and 7 P.M. Said disposal site must be within 5 miles of the City of Canfield.
3. Bidders shall possess and include a copy of their compost operator's certification from the State of Ohio.
4. Bidders shall have sufficient equipment and labor to collect leaves in bulk (or approved bags) from the edge of the roadway. Said equipment should include a leaf vacuum and two 2-ton dump trucks or equal, with a hopper capable of holding at least 10 cubic yards of loose leaves. Bidders must provide an equipment list.
5. The Base Bid shall include the collection of leaves for part of the City on the following listed streets:
  1. Dartmouth
  2. Chapel
  3. Hilltop
  4. Neff
  5. Skyline
  6. Montridge
  7. N. Hillside
  8. Talsman
  9. Callahan
